Congratulations! You have completed the required coursework and passed, without conditions, any oral or written exams as prescribed by your academic option. Therefore, it is my pleasure to inform you that you have been admitted to candidacy for the degree of Doctor of Philosophy in Physics.

You may continue to track your degree status through the Graduate Degree Progress Management application in REGIS.

Best wishes for continued success,

A handwritten signature in blue ink that reads "David Chan". The signature is fluid and cursive, with the first name "David" and last name "Chan" clearly distinguishable.
